

## **Investcorp Capital Acquires Kanawha Scales & Systems in West Virginia**

**Abu Dhabi, United Arab Emirates, November 14, 2025:** Investcorp Capital PLC (the “Company” or “ICAP”), a company founded by Investcorp and listed on the Abu Dhabi Securities Exchange (ADX symbol: “ICAP”), today announced that it has acquired Kanawha Scales & Systems (“KSS”) from American Equipment Holdings (“AEH”), in a deal arranged by Investcorp.

Headquartered in Poca, West Virginia, KSS is a leading provider of mission-critical calibration, maintenance, and repair services for complex industrial weighing systems and automated control solutions in the United States. It was created through a series of acquisitions over several decades and has a long history of providing excellent customer service. The KSS management team will remain committed shareholders alongside Investcorp Capital and Investcorp’s investor base.

**Sana Khater, CEO of Investcorp Capital, commented:** “KSS represents a compelling investment opportunity in a leading services business. ICAP’s strategy remains steadfastly focused on investing in compelling global opportunities in the private markets on behalf of our shareholders, while also offering these opportunities to Investcorp’s investor base. This approach underpins our commitment to delivering consistent attractive returns through a diversified portfolio of high-quality assets”.

**Yusef Al Yusef, Board Member of Investcorp Capital, and Global Head of Distribution for Investcorp said:** “KSS’s track record of strong operational performance sets it apart as a trusted partner for industrial companies across a variety of sectors. We are confident that, with its robust market position and focus on delivering tangible value to both customers and employees, KSS is ideally placed to benefit from positive industry trends and will continue to outpace its competitors.”

Investcorp Capital continues to build on its position as the only ADX-listed firm offering investors access to the returns derived from a globally diversified portfolio of alternative
